U5015172	Enabling learning opportunities in the workplace	Optional	
U5015173	Contributing to the identification of a work team in the workplace	Optional	

A unit specific evidence signpost list will be created.

This will provide you with a list of potential evidence which you can begin to gather and present to your assessor at your first assessment visit.

All candidates must produce evidence from the workplace to meet the requirements of these construction management standards. However some candidates may need to widen their current job roles to achieve this evidence.

This is consistent with the notion that SVQ Awards should be diagnostic, developmental and qualifying.
