J601 04	Enable Learning Opportunities	Optional	
J60Y 04	Plan and Schedule the Maintenance Activities of Property, Services or Systems	Optional	
J610 04	Manage Project Handover	Optional	

A unit specific evidence signpost list will be created.

This will provide you with a list of potential evidence which you can begin to gather and present to your assessor at your first assessment visit.

All candidates must produce evidence from the workplace to meet the requirements of these construction management standards. However some candidates may need to widen their current job roles to achieve this evidence.

This is consistent with the notion that SVQ Awards should be diagnostic, developmental and qualifying.
